Fundraising and Financial Assistance

Our goal is to provide dance to children of all ages regardless of financial status.

P.L.A.Y grants are available to those that qualify to help with class fee costs. These grants are offered by the City and will pay \$20 toward one class fee per child per session. Applications are due by the first class of each session.

Class Dress options: We have some leotards and tights and shoes that can be borrowed, rented or purchased for any child that needs them. Please return rented or borrowed items so others may use them. We will even trade your child's outgrown dancewear for a larger size.

Recital Fees: These fees help cover costs for recital expenses and costuming non professional classes, they also help offset costs associated with props. There is very little mark up on the professional costumes in order to keep costs low to you. So our budget is only as big as what we collect in recital fees and donations.

Costumes: We try to provide some kind of costume for every child, but we also offer the option for you to purchase professional costumes. Please donate any old dance costumes, skirts, hair pieces, leotards, leggings, fabric, sequins, beads, tulle, etc. Much of our raised monies go toward buying props, hats, matching skirts, etc. in order to costume everyone. A class of 12 dancers costumed at \$5 each, costs our department \$60. Tutus can cost \$5-\$10 alone. Hair pieces can cost \$1-\$5 each. It's very important these items get returned after every performance. Purchased Professional Costumes are yours to keep, but please consider donating them for future classes.

Fundraising: We'll be raffling off Gift Baskets at the Recital. More info will be coming out later. Please sign up in class which item(s) you would like to donate. Please return items by May 9th. Raffle tickets sold at the Recital will be 3/\$1.00.

Program Ads: Purchase an ad for you business or a special message to your child/class. Program ads range from \$1-\$20. Order due by April 26th. Please ask to see a sample program.

Donate: Not only can you donate used dance attire and costumes and accessories but you can also Donate monetarily to our Sponsor a child fund, by placing an ad and by purchasing raffle tickets.

Volunteer: This program would not be possible without your help, support and donations. Please let me know if you would be interested in volunteering at recitals or making costumes and props. It takes about 1 hour to make 1 skirt.

If you have other suggestions on how to raise money for our program please let me know.
